LIFESTYLE COLLECTION™

FALL 2009.....by GIFTCRAFT

## OUR MISSION

CREATE WITHIN THE GIFTWARE INDUSTRY A MARIE OSMOND LIFESTYLE BRAND that will embrace our collective values and commitment to creativity and design. We will collaborate closely with Marie to build our partnership by bringing great products to the market while providing excellent service to our retailers.

# Marie

by GIFTCRAFT

As a child and as a teenager, Marie Osmond endeared herself to an entire generation. That bond with her audience not only continued, but grew stronger through the years as Marie's career blossomed into hit records, network television shows, Broadway musicals, movies of the week, world-wide concert tours, a top ten New York Times best selling author, television commercials, lecture tours and her extremely successful Marie Osmond Collector Dolls.

With all her successes and over 45 years in the entertainment industry, Marie's legion of fans now spans generations.

## FALL 2009 BAGS & ACCESSORIES

The Marie quilted fashion bag and accessory collection features beautifully designed fabrics made from the highest quality cotton.

The collection features a cross section of piece types including: Backpacks, Coin Purses, Cosmetic Bags, Duffel Bags, Handbags, Laptop Cases, Messenger Bags, Totes, Wallets, Wristlet Cases and a variety of other great products.

Each piece has been carefully constructed and designed to appeal to a wide variety of women everywhere. No detail has been ignored; from the intricate design of the inner liner fabric to the addition of functional features.

The fashion bag and accessory market continues to grow every year at retail and the combination of beautiful on-trend designs paired with the powerful brand of Marie's name is a recipe for success.

Marie tabletop is a unique collection that combines classic shapes and exquisite design. Each piece was designed and sculpted exclusively for the Marie Collection by designers who have a flare for innovation.

This innovation has led to a sophisticated, eclectic and functional collection that has flexibility. Pieces from the collection can be mixed and matched to create endless design possibilities.

From the sculpted handles to the finely crafted butterflies, each tabletop piece leaves an aesthetic impact with its attention to detail. Accented rose pieces and coordinating place-mats may be intertwined to add some additional glamour.

The collection was also designed to be highly functional. Made out of ceramic, featuring hand painting, decal details and is dishwasher safe

## FALL 2009 HOME DÉCOR

The Marie Home Décor Collection is a line that features two themes that will inspire the inner designer in you.

The Far East Collection is infused with pieces that are exotic and classic. This collection is unified by Asian inspired designs with a gold and red color palette. The Far East Collection will provide a stylish and timeless quality for any design.

The Bohemian Collection has a breezy and natural feel. This collection features eclectic forms combined with elegant and stylish modernism. Featuring designs that explore Art Nouveau, the Bohemian collection will add effortless chic to any space in your home.

Marie home décor includes pillows, lamps, wall décor and tabletop accents of the finest quality. These unique pieces are a focal point in any room or a starting point of a great design adventure.

If you are completely re-designing a space or simply adding a touch of inspired design Marie's home décor collection is an excellent place to start.
